 - i. in their ability to recognize and maintain their innate human dignity
 - ii. in becoming aware of their True Selves and in identifying with this pure aspect of their being rather than with the lower, false, egoic nature, which is centered on itself [al-nafs al-ammara]
 - iii. in becoming self-observant and self-correcting
 - iv. in realizing nobility of character through imitation of the Prophetic qualities realized by understanding, loving, and practicing the inner dimensions of all outward acts – to stop simply just going through the motions
 - v. in living life with humility and in service.
